Solutions for a Smarter Office

At OMNI, we deliver solutions designed to optimize your business operations. Our portfolio of Managed IT Services, Managed Security Solutions, Print Solutions and Productivity Tools help you proactively address pressing business needs like cybersecurity and regulatory compliance, reducing risk and increasing client satisfaction. After 35 years in business, we are committed to providing solutions that enable you to achieve today's objectives and seamlessly meet tomorrow's requirements.

What We Do

We offer a wide array of solutions and services, tailored to your needs. Our passionate employees wake up each day motivated to help our customers meet their organizational goals. We begin with fully understanding your unique challenges and requirements.
Our comprehensive assessment process will then recommend a targeted solution that meets your specific expectations. Our collaborative approach is designed to deliver real value to our customers and is the foundation of our partnership.
